## **DETAILED ACTION**

### ***Claim Rejections - 35 USC § 112***

1. Claim 8 is rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

a. Claims 8 recites "it" and the limitation must be positively recited because it is not clear what is being referred to.

### ***Claim Rejections - 35 USC § 102***

1. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(e) the invention was described in (1) an application for patent, published under section 122(b), by another filed in the United States before the invention by the applicant for patent or (2) a patent granted on an application for patent by another filed in the United States before the invention by the applicant for patent, except that an international application filed under the treaty defined in section 351(a) shall have the effects for purposes of this subsection of an application filed in the United States only if the international application designated the United States and was published under Article 21(2) of such treaty in the English language.

2. Claims 1-23 are rejected under 35 U.S.C. 102(e) as being anticipated by Roth et al (6997448).

Roth et al discloses the invention as recited in claims 1-23

Roth et al discloses a rapid action coupling cylinder device having a pull in nipple (3), conical beveled receptacle (fig.4 the inside of element 11), a cylinder (4), an upper ball bearing cup (15&26), a lower spring (18), and a housing (7 and fig.1-3).

### ***Response to Arguments***

**3. Applicant's arguments with respect to claims previously objected too have been considered but are moot in view of the new ground(s) of rejection.**

**4. Applicant state that the rejection is invalid.**

a. The elements 2 and 17 pointed out in the instant application are shown by the prior art. Please review the figures especially element 3 of Roth. Therefore the rejection stand.

### ***Conclusion***

**5. THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the mailing date of this final action.
